

# JESUS DRIES YOUR TEARS

So many people suffering asking for help  
There is no help on the highway of life  
Made of pain.

Children crying, women suffering,  
Men that do not know where to go to find  
A little peace and stability.

The suffering seems permanent  
In a dark world that is without heaven.  
But there is someone that...

*Jesus dries your tears of pain;  
His love will heal your wounds.  
He truly loves you, you must believe.  
Jesus wants to embrace you,  
To always be by your side.*

Jesus came to this earth  
To carry our pain.  
He knows what you feel when you are afflicted.

Abandoned, rejected,  
Beaten... my Jesus,  
Acquainted with grief, Man of sorrows.

Nailed upon a cross,  
After three days he rose.  
You know that...

Jesus tells you: "Come to me,  
Troubled and burdened;  
I will give my peace  
That I have prepared for you".
